U. S. PROBATION OFFICER ACTION SUMMARY

On September 15, 2020, Christopher Wendelin's Term of Supervised Release was revoked due to his possession of a controlled substance, leaving the judicial district without permission of the probation officer, failure to report address change, and failed to file a monthly report in July 2020. He was subsequently sentenced to four months custody to be followed by a 32-month Term of Supervised Release. As a condition of supervised release, and as reflected in the Judgment, it was ordered that: "Upon release from custody, you must reside in a residential reentry center for a term of up to seven months and participate in the CARE program. You must follow the rules and regulations of the center."

On or about September 14, 2000, the United States District Court for the District of Nevada adopted the following Special Condition language, specifically as it relates to the CARE program.
